Enjoy your pool
and hot tub all
year round with
Domespaces®
pool enclosures.

Polycarbonate Swimming Pool Domes:

The round PVC pool domes are available for most size pools. Domespaces® swimming pool domes are a great way to enjoy your pool 365 days a year. Covers come in a variety of colors including clear. The pool cover can be custom made in other shapes than round.

Swimming pool domes ensure all year-round swimming regardless of weather conditions (rain, cold, snow) for schools and colleges through to health clubs, residential and leisure centers.

Our swimming pool domes are a spacious, light enclosures that provide excellent value for money, allowing pool use all year round.
